ANTHONY VALLONE

Growth & Performance Marketing Leader · Marketing Data & Analytics

Chesapeake, VA | anthonyvallone.biz@gmail.com | linkedin.com/in/ajvallone | github.com/AJVALLONE | anthonyvallone.netlify.app

PROFESSIONAL SUMMARY

Growth and performance marketing leader with 10+ years scaling consumer and media brands, and now building the data systems behind the numbers. Managed $100K+/month in ad spend across Meta, Google and TikTok; grew an eCommerce brand from $10K to $300K/month (+2,900%); and acquired 500,000+ subscribers across a 30-publication portfolio at a 52% lower cost per lead. Judges growth on CAC, MER, LTV and contribution margin rather than platform-reported ROAS, and builds the pipelines to measure them: Python, SQL and dbt models on BigQuery, tested and version-controlled in GitHub.

CORE COMPETENCIES

- Paid Acquisition: Meta, Google, TikTok
- Subscriber & Audience Growth
- CAC / MER / LTV / Payback Frameworks
- Attribution: CAPI, Triple Whale, GA4
- Structured Testing & Experiment Design
- Marketing Data Modeling (SQL, dbt)
- Lifecycle Email & SMS (Klaviyo)
- CRO & Landing Page Optimization
- AI-Enabled Workflows & Automation

PROFESSIONAL EXPERIENCE

Head of Growth

Jan 2025 – Present

Purple Email LLC · Chesapeake, VA

Own paid acquisition, creative strategy and performance reporting across a 30-publication consumer portfolio as a one-person growth function.

- Acquired 500,000+ net new subscribers at a 52%+ sustained reduction in cost per lead by rebuilding campaign architecture, bid strategy and ad-to-landing-page message match across 30 simultaneous segments.
- Built an AI-enabled workflow (Claude, ChatGPT, automation APIs) for reporting, analysis, creative tagging and copy variation, delivering the output of a multi-person team from a single seat.
- Report MER and CAC weekly to ownership, using first-party results rather than platform-reported attribution as the primary signal; diagnose and correct performance issues same-day.
- Set campaign standards across all segments: account structure, naming conventions, audience exclusions and Conversions API signal quality.

Founder & Operator, Digital Course Business

Oct 2023 – Jan 2025

Independent Venture · Chesapeake, VA

- Generated $290K in revenue at 2.8× ROAS from self-funded paid search and paid social, selling two digital marketing courses through fully owned sales funnels.
- Achieved a 54% opt-in rate, 28% primary offer conversion and 33.6% upsell take rate; raised earnings per page view from $2.48 to $9.42 in 90 days through iterative page and copy testing.
- Built email and SMS follow-up sequences with a 51% open rate and 6% CTR, producing 4,000+ customers at a $72.50 average order value.

Director of eCommerce

Jul 2022 – Oct 2023

All Star Elite · Virginia Beach, VA

Custom streetwear and luxury apparel brand selling DTC online and through 90 retail stores nationwide.

- Grew online sales 2,900%, from $10K to $300K/month, while managing an $80K+/month paid search and paid social budget at a sustained 3× ROAS.
- Audited attribution before scaling, finding 40% of active spend had no traceable revenue; rebuilt account structure by funnel stage and audience, and moved leadership reporting from platform ROAS to CAC and MER by channel.
- Built Meta Conversions API, pixel QA and Triple Whale attribution connecting Meta, Google and TikTok to revenue.
- Scaled email and SMS revenue (Klaviyo) from $2K to $60K/month; increased total orders 849% and returning customer rate by 10%.
- Led the upgrade of warehouse and POS systems across 90 stores and 40,000+ SKUs; managed 12 designers, 5 district managers and 3 wholesale reps.

Marketing Manager Mar 2020 – Jul 2022

ArcaMax Publishing · Newport News, VA

- Grew the double opt-in email database by 22,000 new subscribers per month through paid and organic channels.
- Added $100K in newsletter ad sales by generating 500+ qualified media-buyer leads for the sales team.
- Added 10 new affiliate partners per month, generating 100+ qualified leads monthly.

Founder & Managing Director Aug 2018 – Mar 2020

Smartcut Marketing LLC · Haworth, NJ

- Built and ran a 15-person performance marketing agency (SEO, paid search, paid social) serving solar, real estate, alternative health and insurance clients.
- Delivered 3.1× average client ROAS and a 32% average reduction in client acquisition cost; secured #1 Google local rankings across 25+ first-page keywords per account.

Director of Marketing & Audience Development Jan 2017 – Jun 2018

Crowdcentric Media (Social Media Week) · New York, NY

- Sold out all 4 global events for the first time, generating $340K from paid social at 4.7× ROAS and $150K+ in ticket sales from email.
- Raised newsletter open rates on a 150,000+ subscriber list from 11% to 23.4%.

Director of Digital Growth Nov 2015 – Dec 2016

American Media Inc. (Muscle & Fitness, M&F Hers, Flex) · New York, NY

- Grew traffic by 40MM+ monthly page views (7MM unique users), adding $75K in programmatic revenue, and grew social audiences by 1.5MM followers.

Coordinator of Social Media Jan 2014 – Oct 2015

National Hockey League · New York, NY

- Grew social audiences by 2.5MM followers and led creative for the "My Playoffs Moment" campaign.

DATA & ANALYTICS PROJECTS

Marketing Data Stack · Python · SQL · dbt · DuckDB / BigQuery · GitHub Actions

End-to-end pipeline that pulls Meta Marketing API and Google Ads API data, combines it with order data, and models blended CAC, MER, ROAS and cohort LTV in dbt, with 22 automated data tests and unit tests run on every push.

github.com/AJVALLONE/marketing-data-stack

GA4 Funnel & Attribution · dbt · BigQuery · SQL · Python

Modeled three months of real GA4 event data (360K sessions): rebuilt sessions from raw events, built the purchase funnel, and compared first-touch, last non-direct and linear attribution, with tests proving 100% of revenue is credited.

github.com/AJVALLONE/ga4-funnel-attribution

Front-end projects · HTML · CSS · JavaScript

Weather dashboard (REST API), Kanban task manager and eCommerce shop front, built without frameworks.
